

## SAN DIEGO GRANTMAKERS ANNUAL CONFERENCE SPONSORSHIP

As one of San Diego Grantmakers' signature events, the Annual Conference provides local grantmakers of all kinds with a provocative and timely opportunity to explore the most critical issues impacting our community. The audience for this event includes over 150 directors, staff, and board members of private, family, public, community, and corporate foundations/giving programs, as well as donor-advised funds. The Annual Conference features plenary and workshop sessions emphasizing inspiration and education regarding best practices, innovations, collaborations, and nationally-known experts. Your sponsorship of this first-class event will both demonstrate your support of philanthropy in San Diego and showcase your organization to our community, giving you the chance to build and strengthen relationships.

### VALUE

As a San Diego Grantmakers sponsor, your name is communicated to our mailing list of over 600 corporate, foundation, and community leaders. Your organization will be acknowledged through sponsor identification in SDG communications including monthly newsletters, program announcements and the SDG website, as well as at the event itself.

***MARKETING/FUNDRAISING STIPULATION:** SDG was developed with grantmakers (staff and trustees) in mind so they could talk candidly with their peers about the challenges they face. With that in mind, we wish to impress upon members and guests that marketing or fundraising is not allowed at any of SDG's programs, meetings, or other events.*
